

FOZA VOLUNTEER: Heritza Jean Baptiste
Online Community Amplifier

Quote: "We desperately need more organizations like FOZA"

- *Heritza Jean Baptiste*

Heritza Jean Baptiste is a pre-med student majoring in Public Health with a strong passion for maternal health and serving underserved communities.

As the creator of The Unapologetic Doula, she focuses on prioritizing women's health and providing innovative solutions for comprehensive support.

Her dedication to maternal health drives her to address disparities in healthcare access and representation. With a vision of equitable and accessible healthcare.

Heritza aims to make a significant impact through her academic and community efforts.
